Jordans Film Club

One of the ideas which came out of the survey carried out by JVL last year was that there was an opportunity for the Village to have its own Film Club. There is certainly plenty of scope to improve the utilisation of the Hall. The launch of the pop up pub, the Jolly Quaker, has been an outstanding success and has demonstrated that the residents of the Village are keen to develop a modern sense of community – a concept which has been an essential part of the Village since its birth nearly 100 years ago.

The idea is one thing but to actually get a Film Club running requires effort, initiative and a number of committed volunteers to make it a reality. The Village is lucky that we have one Resident, David Wooster, who is in the film business, and who decided to lend his experience and expertise to get it off the ground.

So far, it has been decided that we would pull together a small group of people to work together over the next 3 months for a launch in September. Between September and December, during a Pilot period, we would aim to show 4 films. At the end of that time, a

decision would be made to continue the Club – or close it, dependent on the response.

We aim to hold the first meeting in June and are now looking to recruit members. If you would like to participate in a promising new venture for the Village, please contact me to register your interest either by phone on 01494 873205 or via email alan@janetsealypartnership.com.

Corrections

You should by now have received your copy of the 2016 Jordans Village Directory. Unfortunately a couple of mistakes have crept in, no doubt caused by an errant Glis-Glis in the system. Correct contact details for the affected parties are shown below.

Buckinghamshire Best Kept Village Competition 2016

Preparations are under way to beat our score in last year's Best Kept Village Competition and hopefully win a prize! The areas upon which we will be judged have been submitted, and the judges will visit Jordans some time in June.

We were marked down last year for a couple of broken benches on the Green (both now removed) and we've recently renovated all the others. The see saw has had new seats, and we have just given the play area safety surfaces a good clean up. The telephone box outside the Village Store has had a fresh coat of paint and new signs fitted, and the Estate Office now boasts a mini "Heritage Centre" for visitors to learn about the village and find out information.

We'd really appreciate your help to keep the Village looking spick and span in the run up to June!! In addition to the general overall condition of the village roads and verges, the main areas on which we will be judged are as follows:

PRINCIPAL FEATURES

- 1A Quaker Meeting House & Burial Ground
- 1B Village Green
- 1C Play Area
- 1D Jordans Village Hall
- 1E Heritage and Information Centre – Estate Office
- 1F Phone Box / Historical Information
