News from Jordans Village Community Store

I am writing in glorious sunshine which will hopefully continue until our **SUMMER FAIR this Saturday 9th June**. This is a really wonderful event in its own right, and also wonderful for our shop.

We will of course be open all afternoon - hopefully until the last customer has bought that extra chilled bottle of prosecco! We'll also be selling our usual great variety of cooling drinks - extra ordered in for the occasion - ice creams, ice lollies, and lots to eat to keep you going as you wait to see if you have won the bumper raffle prize. We look forward to welcoming you!

Now to our exciting innovation for next year...**THE JORDANS VILLAGE CALENDAR!** The enthusiasm for this venture is infectious and I know that lots of you have had your phones out catching those special moments in the village both the extraordinary and the more recognisable as part of Village life. The unseasonal snow in March, the escape of the Chalky Field cows (was it in February?) as well as the more usual wonderful scenes and events that are evident during the year in Jordans.

Keep it up - we want a whole year's worth of photos from last summer to this and in September we will have **A MOST SPLENDID EXHIBITION IN THE SHOP** of those that we have printed out eligible for inclusion in the Calendar - and then it will be **up to YOU to vote for the final 12** that will feature in our very first **JORDANS CALENDAR**.

Originally we suggested that all entries should be submitted during August but we are so keen to see them that we now say - **SEND IN THOSE ALREADY TAKEN NOW** and then as you look at your screen when at an event or simply out and about and see that you have taken something rather special SEND IT IN RIGHT AWAY! The shop email address is ismanager@jordansvillagestore.co.uk.

If by chance this hasn't yet caught your imagination why not start this Saturday at the Summer Fair - a definite contender for 'June'!

Lastly - as always **SUPPORT YOUR VILLAGE SHOP** and I say that to **ALL OF YOU** and not just our regulars. **USE IT OR YOU WILL LOSE IT** as has happened in many villages not so far away. This is not a threat, but in this age of online shopping and giant supermarkets almost on our door step, a reality. Please don't let that happen.

SAVE OUR GREEN BELT CAMPAIGN BY THE BEACONSFIELD SOCIETY

**Drop-In evening Wednesday 6th June 6 pm – 9 pm
at St. Theresa's Centre, Maxwell Road, Beaconsfield (behind
Waitrose)**

A massive area of green belt land between Beaconsfield and Seer Green is under the pressing threat of release by South Bucks District Council for development of between 1500 – 1700 homes, offices/industrial premises and a travellers' site. 1700 homes would mean an extra c.4,500 people with thousands more cars. Several office headquarters would mean hundreds of people travelling to and from a business park on our green belt every day. One of the prospective developers, Inland Homes, have even drawn up a vision of a huge block of multi-storey flats over-looking the cricket pitch, together with 3 office blocks around Pyebush roundabout. This level of development is unsustainable.

Even Jacobs, the District Council's transport consultants, say that the planned "relief road" would not be able to cope and that peak travel time increases of 600% would result through the town; so a 10 minute journey would take an hour! Consequently, they are considering extensive engineering roadworks such as: traffic lights at Potkilm Lane/A40 junction; a filter lane from A40 to A355 south, extra lanes on approach to and around Pyebush roundabout; and a 2 lane roundabout at Ledborough Lane which would see Ledborough Lane become a

traffic hotspot. The amount of development in prospect would strangle our town and affect all those who travel through it or use its services.

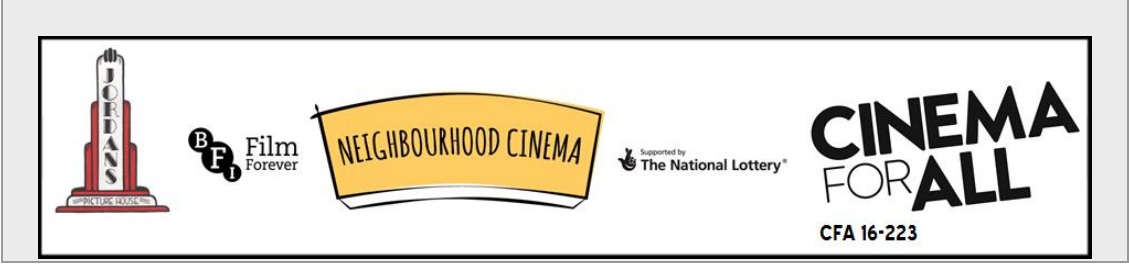

The green belt land under threat is a huge area which extends almost from the Beaconsfield – Seer Green railway line to jct. 2 of the M40 and abuts Beaconsfield Golf Course in places. It includes but extends far beyond the ex MOD site at Wilton Park. Both Beaconsfield and Seer Green railway stations would be impacted by traffic and commuters. The purpose of the green belt to prevent coalescence of villages would be thwarted as both conurbations would only be separated by the golf club and the smallest of margins.

This green belt land is the most expensive of the options under consideration by the District Council and as a result the main landowners have submitted “visions” of what they would like to build on their parcels of green belt, including substantial office developments. Bucks Thames Valley LEP has even proposed that the land would be suitable for a logistics base! We see development of our green belt as resulting in gross profiteering rather than in any benefit for the community.

We are holding a “drop-in” evening on Wednesday 6th June 6 – 9pm at St. Theresa’s Centre, Maxwell Road, Beaconsfield (behind Waitrose). You are all invited to come and meet our Save Our Green Belt team, ask questions and please sign our petition/mandate and donate to a fighting fund. If 1,000 people each donated £50, we would reach our target to raise a £50,000 fighting fund to engage a QC and planning experts to fight to save our green belt.

This is what our green belt deserves. You can also sign the petition and donate [at www.beaconsfieldsociety.org.uk](http://www.beaconsfieldsociety.org.uk)

Please spread the word and “tell ten” of your friends and neighbours about our campaign. This will be our last chance to save our green belt. Thank-you for your support!

ANNUAL GENERAL MEETING PLUS FILM “THE PARTY” (free for Members)

NON-MEMBERS are invited to purchase tickets for the film at £8 online or via the Box Office Tel: 01494 873205 or by email alan@janetsealpartnership.com

Jordans Picture House Annual General Meeting – our first - will be held on Sunday June 10th at 4:00 P.M. (Doors Open at 3:15 P.M.) After the AGM, at around 5:30 P.M. there will be the final film of the Season – “**THE PARTY**”.

This will be free for Members. If you are a Member and would like your free ticket for “**THE PARTY**”, please just contact the Box Office (same details as above) and we will reserve it/them for you. We need to know numbers for catering.

Even if you are not a Member, you are welcome to come to the AGM to see what is going on at J.P.H. - and, you never know – you could decide to become a Member. However, if you are not a Member, you will not be able to vote at the AGM.

Most organisations run an AGM purely because it is a statutory requirement but we are running it for three reasons:-

1. To tell you about how JPH has performed overall in its first two seasons;
2. It is a great opportunity for us to meet with the Membership and exchange views;
3. Also an opportunity for us to thank our Membership for the magnificent support you have given us in our first two seasons.

[Please click here to view the Agenda.](#)

Why this is an AGM not to be missed:-

1. You have an opportunity to enjoy a great British film for FREE.

“The Party” (15) Released 2017

Cast: Patricia Clarkson; Bruno Ganz; Cherry Jones; Kristin Scott Thomas; Timothy Spall.

Director: Sally Potter.

A comedy wrapped round a tragedy, it starts as a celebration and ends with blood on the floor. This film has a brilliant cast and has received outstanding ratings on Rotten Tomatoes – Tomatometer/Critics: 92% and Audience Score 96%. However, it received little media coverage and was not widely shown. We think it is unlikely that many of you will have seen it. The running time is only 71 minutes so we anticipate Doors Close at around 6:45 P.M.

2. We will announce the 10 films which have been selected by your votes to make up most of our programme for the Season October 2018 to April/May 2019.

3. We will be providing a FREE tea: a cake specially made for us by Sally Wilson – and Prosecco or tea/coffee.

Only paid-up members are entitled to vote for the film selection (deadline Friday 8th June) and in addition you will be able to vote at the AGM on which good causes should benefit from JPH surplus funds.

If you are not yet a Member you may take out Life Membership anytime up to the afternoon of the AGM for £10 and then stay on to see our last film (ticket price for non-members £8), the net cost of life membership is therefore just £2 – a bargain.

SPECIAL NOTE FOR MEMBERS OF JORDANS PICTURE HOUSE

On 24th May we sent out a shortlist of 17 film titles with a request for you to select the 10 you would like to see included in our third Season to run from October 2018 to April/May 2019. We have had a good fast response to date but we would like to see as many as possible of the Membership voting so that we will have a selection which reflects the majority taste. The deadline for getting in your selection is Friday June 8th. Please help us to make us make our third Season a really great one.

Thank you.

Jordans Taverners Cricket Club

A short(ish) history

by Tim Sonnex

Not a lot of people know this, but... Jordans still has a cricket team.

Sadly, games are no longer played at the peaceful haven that is the Green, but the Club is very much alive and flourishing and is proud to have Jordans on its badge.

As far as history records, Jordans Village Cricket Club (JVCC) was formed shortly after the birth of the modern Village in 1919, with records going back to the 1930s. Cricket was played on the Green until 1993, only interrupted by World War II and a legal action, lodged by a disgruntled house-holder, preventing cricket being played on the Green for 12 months before a landmark court case was heard in Slough County Court in 1994. Thankfully for cricket lovers, the Club prevailed and cricket returned to the Green the following season.

The case caught the imagination of sports lovers and the media and was widely reported in the UK and internationally. The Independent described the outcome at the time as follows: "*Britain's village cricketers breathed a sigh of relief yesterday when a judge ruled*

that the occasional threat to neighbours from balls hit for six was not sufficient reason for stopping play." For a full version of the article, please see:
<https://www.independent.co.uk/news/uk/keep-hitting-sixes-judge-tells-village-cricket-team-charles-oulton-reports-on-a-neighbours-failed-1435534.html>

The next major milestone in the Club's history was a merger with two other clubs, Chalfont Taverners and Green Dragons in 2002, necessary because of reduced playing resources in village cricket and other amateur sports clubs in general. Jordans Taverners CC was thus formed and the Club moved to Seer Green, staying as close as possible to Jordans, but to a ground with more extensive playing and practice facilities.

In 2017 the Club moved to a dedicated cricket ground in Coleshill, where it now shares a picturesque venue with Coleshill CC, playing mostly on Sundays. The emphasis is on friendship and a team ethos, with players ranging in ability from none to quite a lot. New recruits of all ages are always welcomed, whether as supporters or players. The Club has always attracted new recruits from around the world, with Australia, India and Bangladesh proving to be particularly fruitful sources. As well as Sunday fixtures, there are occasional T20 games, played on a Friday night, practice nets at Seer Green recreation ground on a Thursday evening, various social events throughout the year and an annual dinner. The Jolly Cricketers in Seer Green is a great supporter of the Club and remains the Club's after-match retreat and principal recruitment office. For contact details, please visit our website (details below), which also has match reports, player reviews, a fixture list and other generally informative items, mixed with weak attempts at humour.

The Club's greatest achievement? Some would point to the bowling performance at Farnham Common CC, where the Jordans' attack restricted the home team to 5 runs, all out. Others may mention the court case, subsequently used by other Clubs to maintain their existence. More profoundly, there are those that prefer to think about the longevity of the Club, still thriving in difficult times for participation sport, thanks in part to the friendly, welcoming atmosphere within the Club and in no small regard to the Club's pride in its roots.

**Chalfont St Giles Parish Council & Jordans
Village Ltd
Pink Paint Protest!**

After receiving several complaints about anti-social dog owners allowing their dogs to foul the footpaths and green spaces of the Parish, the council have decided to run a 'Pink Paint Protest' over the two week period from 14 to 28 May. Jordans Village are joining this campaign over the summer months.

Council Staff, Committee Members, and Volunteers have been armed with cans of pink chalk spray and they will aim to spray all offending dog waste pink. This highlights the problem and stops people from treading in the mess by accident and spreading it into the shops and businesses in the village.

This is not an anti-dog campaign, it is a campaign to shame the anti-social behaviour of some irresponsible dog owners who refuse to clear up their pets waste.

All responsible dog owners have their pockets stuffed with dog waste bags whenever they take their pets for a walk. We hope that the pink paint will embarrass the irresponsible dog owners into picking up their dog mess.

If you see someone allowing their dog to foul the footpaths and green spaces you can [report the incident on the Chiltern District Council web site here.](#)

You must clean up your dog's mess. If you fail to pick up and dispose of your dog's mess, you can be issued with a fixed penalty of £50 or if prosecuted, with a maximum court fine of £1000 and a criminal record.

AND FINALLY...

I recently received this lovely message from kind-hearted resident Simone O'Donoghue, who also helped me save a family of ducklings and reunite them with their mother last year in Jordans Way! Well done Simone, you are a star!!

- Chris Jenkins, Jordans Village Estate Office

"Here a few pix of the tawny owl chick I found whilst out with my dog in Crutches Wood last week, May 9th. It was on the ground, behind a tree next to a path, and would probably have been found by a dog or fox before too long! I went back with my daughter to retrieve it and then took it to [Tiggwinkles Wildlife Hospital](#). Apparently it is doing well and will be released when it is big enough, they told me today."
