Jordans Village Community Store's Auction of Promises was a huge success!

The 3rd Jordans Auction of Promises took place in the Village Hall on Saturday October 15th.

With so many village events going on at this time we were just a little nervous about how many people would turn out on a misty Autumn evening to support our main fundraising

event of the year. We needn't have worried. The numbers of villagers booking for the fish'n'chip supper (delicious) were a little down on previous years but the sums raised on the evening were very impressive, possibly even record breaking for this event.

You were so generous. You helped us to raise £4057 from the 'Auction' and an additional £471 from the raffle. That's so fantastic and is really going to be a great boost for our Community Store.

Thanks are due to so many; firstly to all the villagers who contributed in so many ways by buying a raffle ticket, bidding on the evening, making a 'promise' and generally supporting the Store. Thanks are also due to all of the Shop Committee, particularly Sally Wilson and Chris Waymouth, and also a special mention to Graham Short our raffle salesman par excellence!

Thanks go to all the local businesses and trades who gave so generously. Finally a big thank you to Nigel Briggs our professional 'auctioneer' from the Nigel Briggs Estate Agency in Beaconsfield who kindly gave up an entire evening to ensure the success of the event.

"The Jungle Book 2016"

Sunday Matinee December 11th 2016

Doors Open 15:00, Feature starts 16:00

FLORENCE FOSTER JENKINS (PG) Meryl Streep, Hugh Grant and Rebecca Ferguson star in this film directed by Stephen Frears and it is the first film selected in our December Double Bill. Released this year it has been a huge hit for these bankable stars.

This film was No. 3 in the Jordans voting league table, as reported in the September Community Newsletter.

THE JUNGLE BOOK 2016 (PG) An action and adventure movie for family and kids starring Neel Sethi as Mowgli, Bill Murray as Baloo, Ben Kingsley as Bagheera, Idris Elba as Shere Khan and Scarlett Johansson as Kaa. Released earlier this year, it is a must see film. It is the second film on our December Double Bill.

Critics' Consensus: *"As lovely to behold as it is engrossing to watch, The Jungle Book is the rare remake that actually improves upon its predecessors."* Source: Rotten Tomatoes

The film chosen for November "Bridge of Spies" was announced at the Premiere of "Suffragette" on October 14th and was sold out within days. We anticipate a similar enthusiastic response to the December Double Bill.

Firework Safety

Fireworks are often used at celebrations and especially, of course, on or around November 5th. They can add great excitement to celebrations and are enjoyed by many, but they can also frighten animals and cause annoyance to other residents. The Fireworks Regulation Act 2004 prohibits the use of fireworks in England and Wales between the hours of 11pm and 7am, although extensions are given for the following special events:

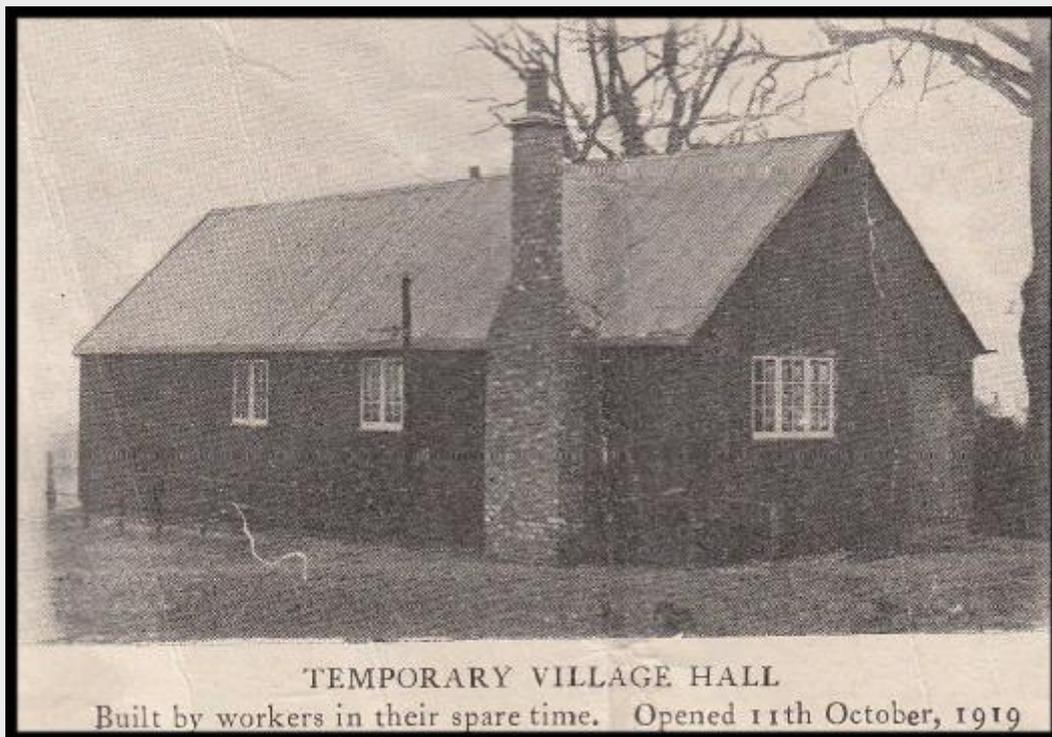

- First day of Chinese New Year until 1.00 am the following day
- On the day of Diwali until 1.00 am the following day
- On New Year's Eve until 1.00 am on New Year's Day
- On 5th November until midnight

These regulations are enforced by the police and a penalty of up to £5,000 or six months in prison can be issued for a breach.

If you have your own firework display, remember that too much noise can frighten people and animals, and that fireworks cause smoke and pollution. Follow these simple guidelines to reduce the risk of nuisance.

- Give neighbours a few days notice of your display - particularly important if they are elderly, have children or pets
- Use appropriate fireworks - when buying fireworks, try to avoid really noisy ones. Your supplier should be able to tell you what they are selling
- Make sure pets and other animals are safely away from fireworks
- Consider timing. If you are using fireworks for a celebration, a Friday or a Saturday is preferable; remember it is illegal to use fireworks after 11.00 pm (12pm on 5th November)
- Avoid letting off fireworks in unsuitable weather - if it is still and misty or air quality is poor, pollution could be a problem. Check air quality on 0800 556677 or Defra - air quality
- Let off your fireworks in open garden areas - noise bounces off buildings and smoke and pollution build up in enclosed spaces.
- If a neighbour complains that you are disturbing them, their pets or livestock, be considerate.
- After your display, clear up firework fall out and dispose of it safely.

Village Hall update

The Village Hall Trust is swinging into action. Dom Pegram and Paul Wright have joined as Trustees, giving us a total of nine Trustees, and we are now working on a brief for architects and our business plan for rebuilding or renovating the village hall.

We will be distributing a letter to all Jordans residents, inviting them to become members of the Trust, and to contribute to our Pioneer Appeal. We hope to raise £10,000 to help pay for detailed plans and for fundraising.

Some donors have already pledged to match any money raised in the Pioneer Appeal, up to a total of £5,000, and any contributions can be increased by 25% with Gift Aid. So we hope that everyone in Jordans will help by becoming members and contributing whatever they can!

Thanks and best wishes,
Bob Hall

The £1,000 Cottage

Ann Lenox of Twitchells End dropped by the Estate Office with a historical conundrum having found a picture of a house in Jordans that we couldn't identify.

Back in 1928 this cottage was built by Lanchester, Lucas, and Lodge and features in the book "The £1,000 Cottage" by Randall Phillips, first published the same year, a sort of *Grand Designs* of its day.

The Cottage is described as being constructed from "*multi-coloured brick, the gable ends being covered with rough elm-boarding, and the roof made with hand-made sand faced tiles*"

The image clearly shows the cottage being located on a sloping site, but so far we cannot place which property this is. Suggestions so far are that it might be the original house "Birchwood" in Wilton Lane (now occupied by The Blue House), or Coanwood on Puers Lane.

Does anyone know better? Answers on a postcard (or email) to Chris Jenkins at the Estate Office.

COTTAGE AT JORDANS, BUCKS

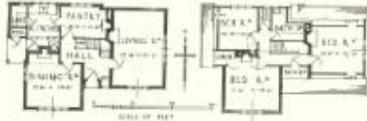

(FIGS. 57 AND 58)

Lawbester, Lucas and Lodge, Architects

THE exterior walls of this house are of cavity construction in multi-coloured brick, the gable ends being covered with rough elm-boarding, and the roof laid with hand-made sand-faced tiles with swept valleys. The bedrooms being

formed mainly in the roof gives ample cupboard space on the first floor, and furthermore reduces the height and therefore the cube of the building. Not only is the living-room a large room in what is really a small house, but the dining-room and bedrooms are also of ample dimensions. An open-fire "Ideal" boiler in the working kitchen supplies domestic hot water and heats a radiator in the hall.

The house was completed in 1928 at a cost of £1,000.

HOUSE NEAR SEATON, DEVONSHIRE

(FIGS. 59 TO 62)

Miss Faith Brooke, Architect

PARTICULAR interest attaches to this house as being the work of a woman architect. It occupies a hilly site which lent itself to a truncated L-shaped plan, the majority of the windows facing south, to gain a charming glimpse of the sea, while the large bay window at the end of the living-room looks out over a magnificent valley.

The external walling is of 9½-inch cavity construction for the lower storey (hand-made bricks for facing, with 3-inch breeze blocks inside). The upper storey is of 4-inch stud framing, rendered or weatherboarded on the outside and lathed and plastered inside.

From the porch one enters what is virtually a very large living-room, its total length being 26 feet 5 inches, but which can be divided, by means of a folding partition, into two rooms—living-room and dining-hall. Its use as one large room is especially adapted to summer, or for entertainment. This room has beams and joists of English oak, and its open fireplace is carried out with 2-inch bricks and tiles. From one end of what may be called the hall portion, the staircase rises to the first floor.

To the left of the entry is a sitting-room, and adjoining it is the kitchen-scully, with sink and draining-boards set under a

A Visitor Returns – after 68 years

A couple of weeks ago I met Miri Laufer (néé Urdang) outside the Shop. She had just arrived with husband, daughter, son-in-law and grand-daughter in tow and wanted to show them where she had lived in England, before she returned to Israel. Miri, a Jewish refugee from Europe arrived in Jordans in 1948 as a two year old.

She was with her mother who was tasked with lobbying Church leaders that Jerusalem should be the Jewish capital rather than an international city, a proposal that was currently under

consideration at that time. Miri spent two years in Jordans and all she could remember was a big house with a lawn and a potting shed. She could remember little else and asked if I could find out more.

I automatically thought that it must have been the Ark and we visited there – nobody was at home – and she did not seem to remember the place. Clearly her time in Jordans had been a happy time and she remembered playing with other children and being given a camel as a toy.

Subsequently, I made contact with Rose Fulton, who I knew had a long association with the Village. She was 18 in 1948 and left for teacher training college in the September. She could not remember hearing of anyone acting in loco parentis but that is not surprising. Like me, her first instinct was the Ark, but Quakers have a record of taking in refugees.

If you have any information which might help Miri build up a clearer picture, please let me know and I will pass it on.

Jordans Flower & Produce Show

Dear Villagers,

Following the poor response to both entries and attendance which has been on a steady decline for the past few years, it is with great regret that the members of the Jordans

Gardening Club have reluctantly decided to suspend the Jordans Flower & Produce Show for 2017.

The reinstatement of this village event in 2018 is dependent on support both in terms of commitment to participate and promise of help on the day.

We would like to hear your comments and suggestions of how we can make the Flower and Produce Show work for you. Are you aware of the categories you could enter? Do you need more reminders? Would you like help selecting flowers or veg from your garden?

Please email us jordansgardeningclub@gmail.com. We really want to know your thoughts so that in future we can try to make it a community event for the majority of the village and not just for the pleasure of a small minority.

Taking part is fun and there is great excitement in seeing the produce displayed in all its glory in the afternoon. Prizes for winning entries, usually bulbs for the adults and books for the children are presented, then a raffle. Teas and cakes are provided by the mums of Jordans school pupils, with monies raised going to the school.

Sincere apologies and a big thank you to those families that took part this year and in previous years. If we receive the much needed help and commitment for the 2018 Flower & Produce Show, then we can all look forward to seeing more of your enthusiastic efforts .

The Plant Sale will take place next May as usual with funds going towards the 2018 show. Date to be confirmed.

Yours sincerely,

Jordans Gardening Club

Jordans Picture House
Premiere of *Suffragette*
is acclaimed a "total success, brilliant"

“Suffragette” was the film chosen in the vote by Jordans Village for the first screening by Jordans Picture House – a rejuvenation of Jordans Village Hall. The Premiere, on Friday October 14th was a sell-out. Guests enjoyed the licensed bar, settled down in the extremely comfortable new seats and enjoyed a movie marking an historic milestone in women’s suffrage.

Also as a result of the very strong demand a second screening was arranged for Sunday 16th and another thirty tickets were sold.

Forms enabling guests to provide feedback were distributed at each screening and their comments reflect their appreciation of the new entertainment in the Village:-

“Total success” “Brilliant.” “Great evening, thank you.” “An excellent initiative.”

“An excellent evening – so professionally produced – will certainly come to future Showings.”

“A very good choice of film and the next one seems a very promising choice too.”

“Very well done to everyone involved. Thank you for giving your free time to bring together a great different, social night out.”

“The magic of the movies arrived in Jordans on Friday 14th. Thank you to all the team for the hard work that must have preceded the screening. Looking forward to more movies.”

“It was a great evening – so much effort had been put into it by the whole team. Look forward to the live transmissions and the next film screening. If you need help, happy to get involved.”

The enjoyment and appreciation of our audience is a fitting reward for the effort we have all put in. Thank you from the Working Group: Lorraine Bristow; Julie Coldicott; Alan Sealy; Alan Sonnex; Chris Waymouth; David Wooster. **Image by Anne Smith**

The 2nd Chilterns Bicycle Ride

What a brilliant time we all had on the bicycle ride - despite the weather!!

At 10am the rain was bucketing down, but brave cyclists set off regardless and the conditions did improve. The Chipperfield ride was a challenge - but well met - and the Coleshill route was really enjoyed.

All in all the bike ride was a great success - and we raised £300 for the Village Store! A big thank you to all who took part, including Lorraine and Anita who manned both the sign-on table and the very important refreshments!

Harvest Festival

7th October 2016

We held our Harvest Festival this morning and invited some of the older folks from the village to the event.

We've changed the tradition of visiting elderly residents in their homes to present them with a harvest basket and instead asked some to come here, with the children's donations going to a food bank instead.

The event was enjoyed by all those who attended, having all had children that came to the school.

Jordans Ceramics Exhibition

Saturday 17th December 2016

5pm to 10pm in the Village Hall

Jordans has a long tradition of producing pottery and ceramics, and talented local ceramics expert Sophie Bruen has been running a course in our Village Hall over the autumn. Together with her students, many of whom are residents in the Village, Sophie invites you to a free exhibition of their work on Saturday 17th December, in the Village Hall.

Drinks and nibbles will be laid on.

20mph Speed Limit in Jordans Village

As autumn turns to winter, the roads in Jordans become a little more slippery thanks to fallen leaves, and the colder weather.

The Management Committee would like to remind residents and visitors to the Village that all of its roads are subject to a 20 mph speed limit. These are:

Seer Green Lane, Beech Lane, Copse Lane, Puers Lane, Green West Road, Green East Road, Green North Road, Crutches Lane, and Puers Field.

Please take extra care and drive carefully.
