

JORDANS VILLAGE COMMUNITY NEWSLETTER

October 2021

www.jordansvillage.co.uk

Autumn is setting in and October 2021 gives us the chance to look back at some great events which took place in September, and also look forward to [Jordans Picture House](#)'s upcoming programme. Memorial events will be held in early November for two very-much-missed members of our community too - [Robin Allen](#) and [Willum Lomas](#), who are always in our thoughts.

There are several very different ways to get involved in the community this month, with opportunities to [help collect urgently required goods for refugees](#); to [participate in performing arts](#); to join the [Lunch Club](#) team (and eat the result of their hard work!), or to help work out how [fair trade](#) might work around the world. Read on for more about that.

Following up on the successful launch of the Our Living Village project - which was attended by Sarah Green MP - is a great way to [record memories](#), which is being put together by Richard Bright.

Finally, for some liquid refreshment and great company, don't forget that the Jolly Quaker opens its doors at 7:30pm tonight in the Village Hall!

Cheers,

Pictures of the Month

Here we publish the best images of Jordans or by Jordans residents that we've received in the past month

Click on the images to enlarge

Above Left: Two amazing images of bracket fungus in the woods, taken by Hatti Pegram

A few words from the TMC **Sports Day**

The TMC started the new school year off with its annual Jordans sports day, which was a resounding success and thoroughly enjoyed by many Jordans residents. We had children ranging from 2 to 11 years old, participating in each of the categories - not forgetting the 'highly competitive' adults! It was really lovely to see all the age groups mixing in the fun events including the 3-legged and wheelbarrow races and of course the traditional Jordans' Marathon and Tour de Jordans rounded off a wonderful afternoon.

New TMC Shed

In other news, the TMC would like to thank JVL for all their input and support in getting a new shed for the village. As many of you will know, the old shed was in a state of disrepair and so during much of August a huge amount of work went into building and putting a new shed in situ next to the village hall. It was a real team effort with additional assistance from a number of residents. This is a great asset for the village and is a real example of what can be achieved when we work together.

Fair Trade?

To keep it simple, one might simply ask whether five tomatoes are a fair trade for three apples.

However, it all becomes more complicated when thinking about exchange between communities or nations. Some friends and I (Maria Zamora Chaves and Mike King) have been doing some research into the subject, and our initial paper has been accepted for publication by the Fair Trade Journal (international/peer reviewed, so quite posh).

I'd like to do a trial run on a role-play scenario relating to the terms of trade. The idea is that by using a simplified model of exchange we can better understand the principles people really use to decide whether a trade is fair or not. The scenario is a brief description of a valley containing three families and a market town; and you don't need to be an economics wizard to have a valid opinion (though wizards are not excluded from joining in, as long as they behave themselves).

I'm hoping for about half a dozen volunteers, who'll be asked to read the scenario (15 minutes, in advance) and then discuss it in a small group (probably between 30 minutes and 1 hour). We're expecting to run the full research project with colleagues in Costa Rica and South Africa, and several other countries yet to be determined.

If you're at all interested in joining in, please drop me a line at tony.brauer@gmail.com, and we'll work out how we can make the research fit in with your idea of a good time. That's a fair trade, if ever I heard of one.

Memorial Tree for Robin "Hoody" Allen

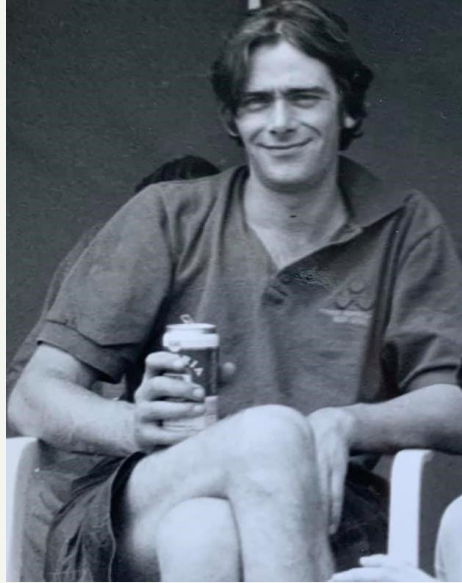

S a t u r d a y 6 t h N o v e m b e r 2 0 2 1 @ 1 p m
V i l l a g e H a l l

Jordans Village will be planting a cherry tree at Cherry Tree Corner on the 6th November in memory of our Dad, who served as chairman of the village for 24 years.

Following the planting of the tree, our family would like to invite anyone who knew our Dad to join us at the Village Hall, from 1pm, for a cup of tea or a glass of wine and to share stories and memories of Dad.

Memorial Tree for Willum Lomas

Saturday 13th November 2021 @ 11am
Village Green

Our dear brother Willum Lomas sadly left us just over two years ago. At the time, we were blessed and most grateful for the kind and generous donations of friends, family, and colleagues to purchase a tree in memory of him. As a keen cricketer, we are very thankful that Jordans Village agreed that we could plant a weeping willow as a memorial tree on the north side of the Village Green.

We have been greatly delayed by the pandemic but are pleased to confirm that we will be unveiling the tree with a memorial plaque on Saturday 13th November at 11am. All friends and colleagues are very welcome to join us and raise a glass of fizz to him.

Kind Regards,

Martin, Tina and Sam Lomas

Lunch Club returns!

After almost 2 years of not having our once-a-month lunch club, we are hopeful that people will feel comfortable in coming along once again to the Village Hall.

I will be calling all that are on the current register to have a chat but if you are new to the village and wish to join our happy group of diners please call me on 01494 874565 and leave a message; I will call you back.

Age is irrelevant as participation and conversation is so important for everyone who lives in our community. Lunch Club helps you meet and get to know your neighbours and other residents, to make friends and enhance our community.

We are seriously looking for volunteers to be part of a team in keeping this important social Lunch Club workable. We need help with preparation of lunches on the day, including vegetables, making a casserole or the dish of the day of which the team have decided to create for their guests. We also do puddings, served with fresh coffee and mints...each team meets beforehand for a coffee morning/afternoon to plan their Lunch Club menu and who can do what towards the lunch - its also valuable social time for everyone volunteering and its great to work together as a team and get to know each other that way too.

This is only a commitment of 3 times a year for each team - or whatever you feel you can give...whether you are able to cook but not able to be present on day, or able to come along and help plate up, serve, and clear away - it will be so helpful if you can volunteer.

I look forward to hearing from anyone who wishes to come along to Lunch Club to eat, or of course to volunteer. Please help us keep Lunch Club going, residents love to come and enjoy a home-made 3 course meal, have some company, and the occasional entertainment from Alex on the piano and from the children attending our Village School.

Believe me, it is such a wonderful afternoon to be a part of the chit-chat of those enjoying lunch with their neighbours and friends - it's so worthwhile and rewarding, a real feel-good moment.

Jordans Concert Review

We wanted to share some pictures and audio clips of the concert in the village hall, which was advertised in last month's newsletter, and is part of the newly-resumed Jordans Village Performs series. This happy event took place on Sunday 12th September in front of a (covid-safe) capacity audience. Details of the concert can be found here: <https://www.eventbrite.co.uk/e/jordans-village-concerts-tickets-167528904463>

Musical Fun!

Stormy Beethoven

Lyrical Brahms

Future Concerts

Saturday 22nd January, 7.30 pm

This is a scratch event – anyone can offer a 5-minute performance, the more varied the better – please email Bob Hall at r@rkhall.com to express interest in performing.

Sunday 3rd April, 4.00 pm

Cressida Jenkins (soprano), Esther Cavett (piano) and others, with a theme of climate change.

Future Plans

We want to find out what else of a performative, creative nature is going on in Jordans. There are so many people here, young and old, doing such interesting things. Creativity is in the heart of our community, and was from the beginnings – play readings in the wood, plays in the village hall, music-making of all kinds. We plan to host a coffee morning in the village hall on Sunday, 23 January to share ideas for future performances and collaborations, small and grand alike. Drop us a line if you're interested and we will be in contact nearer the time.

A BIG THANK YOU TO JORDANS & SURROUNDING VILLAGES

WE HELPED FILL 1000 BOXES

It can be difficult to imagine what it must feel like to have nothing but the clothes you stand up in, nor have the money or means to access basics, but this is a reality for many of the people we support. Through our recent support we have been able to help. We still want to help even further by donating toiletries and other essentials.

Items needed for our next collection

We are looking for the following items (new and unused); nappies, underwear and socks, baby wipes, shampoo, body wash, deodorant, tooth brushes, toothpaste, shaving foam and razors, pots and pans, single bedding, towels, flannels, frying pans, soup bowls and new kettles and toasters.

Jordans Picture House

Jordans Picture House reduces seating capacity from 60 to 35

- The Jordans Picture House Committee feels very strongly that our programme should continue. There clearly is a desire from a large number of people for the social contact that Jordans Picture House affords.
- In order to significantly improve social distancing in the Village Hall, we shall lower the cap on ticket sales to 35 from October and onwards. This amounts to a reduction of 42% from a normal “full” capacity of 60.
- There will be just 7 rows of 5 chairs. The row would be split into pairs and singles. (The normal seating configuration was with just one aisle down the left hand side and 9 alternate rows of 6 and 7 chairs.)
- This clearly has a significant impact on revenue and makes the covering of ongoing costs difficult, let alone our ability to build reserves for the replacement of equipment. But if we are able to sell to our new reduced level of ticket sales we should be able at least to break even.
- In order to help us through this challenging period we are asking supporters to donate an additional £2 on top of the £8 ticket price. This is a temporary measure. Once the Covid situation calms down and we are able to return audience levels to normal, we should no longer need this additional financial support.
- In addition, in order to allow Jordans Picture House to continue to exist and grow and become a permanent fixture in the Jordans Community, we are looking to create a support network of Patrons. If you would like to discuss the possibility of becoming a Patron of Jordans Picture House, please contact Alan Sealy – Telephone 01494 873205/email alan@janetsealypartnership.com

Programme for October 2021

Jordans Picture House offers THREE films in October

On Friday October 8th we shall be screening “Radioactive.” Doors open at 7:15 P.M. and the Programme starts at 8:00 PM. This film came top in the Members voting and we are anticipating strong support.

Radioactive

(12A)

2019

Cast: Rosamund Pike; Yvette Feuer; Mirjak Novak. Director: Marjane Satrapi

The incredible true story of Marie Sklodowska-Curie and her Nobel Prize winning work that changed the world.

On Sunday afternoon October 10th we shall be screening “Wadjda.” Doors open at 3:15 PM and the programme starts at 4:00 P.M. It is our first foreign film since the end of lockdown and it is the first feature length film by a female Saudi Director. The film has won 22 awards and has 34 nominations. We have limited the audience to 30, in order for the audience to be able to read the sub-titles. It is an absolutely charming film and is highly recommended.

Wajda

(PG)

2012

Director: Haifaa Al-Mansour. Cast: Waad Mohammed, Reem Abdullah, Abdullrahman Al Gohani

An enterprising Saudi girl signs on for her school's Koran recitation competition as a way to raise the remaining funds she needs in order to buy the green bicycle that has captured her interest.

On Tuesday October 19th we shall be screening “The Light Between Oceans.” Doors open at 7:15 P.M. and the programme starts at 8:00 P.M. It is a deeply affecting movie with stand-out performances from Michael Fassbender and Alicia Vikander. (They met on set and married shortly after the film was made!)

The Light Between Oceans (12A) 2016

Cast: Michael Fassbender; Alicia Vikander; Rachel Weisz. Director: Derek Cianfrance.
 A lighthouse keeper and his wife living off the coast of Western Australia raise a baby they rescue from a drifting rowing boat.

JPH Screenings November 2021 to January 2022

Our future programme will be as follows:-

Empire of the Sun (PG) 1987	12/11/2021	Friday	7:15 PM	8:00

Our Living Village - Recording Memories

Over the course of the past 18 months, the coronavirus and/or the restrictions to prevent its spread have deprived the majority of us of precious family time. In some cases the virus has robbed us of loved ones. I have been to two socially-distanced funerals since last March. By legal necessity the services were sparsely attended. For fear of virus transmission, they were also brief.

At a time of great sorrow, it was neither possible for families or guests to give solace or be comforted. The eulogies and anecdotes were limited in content and witnessed by a meagre audience, when in normal circumstances, they would have been shared by many more. It struck me then that everyone has a story to tell and that these stories should be available to as wide an audience as possible for the sake of posterity, if nothing else.

With this in mind and to coincide with the launch of ‘Jordans - Our Living Village’, I am willing and more than happy to write up a brief biography of any Jordans resident who would like their memories of their life in the village to be consigned and digitised.

Village Security

At the recent village Q&A meeting it was raised that there were problems with theft in the Village recently. This includes theft from houses, even damage to property, and theft where building projects are underway.

As a community we should be a little more vigilant, not only with our own security but in spotting suspicious behaviour. Anne Smith has set up a village WhatsApp group where we can inform each other on Village security matters. If you are not already a member then contact Anne on 07768 707241 and she will add you to the group.

If someone is the victim of theft, please inform the police. Whilst initially we may not get a great deal of support from them, if they see that this area has a problem with crime then they will have to do something about it.

Not many crimes are carefully planned. Most are opportunist and committed on the spur of the moment. This can be possessions left on display in a car, doorway, or a window to a house left open. You can reduce this risk by locking your car, not leaving house doors unlocked or windows open when you go out, even for a few minutes.

Let's keep our community safe and secure.

FRIENDS OF JORDANS SCHEME

JVL is excited to launch its new "Friends of Jordans" Scheme, which has been created to enable those living in the wider village and those with an interest in Jordans to keep in touch with what is going on, and to participate in our community. The Friends of Jordans Scheme is open to anyone with such an interest; all Members of the Society are automatically enrolled into the Scheme.

The Jordans Village estate was created in 1919 by a group of Friends interested in establishing a "*Social and Industrial experiment*" so as to give "*those engaged therein scope for the growth of character, self-expression, and high standards of individual workmanship*". While part of

their original objective – to acquire an estate and to construct the residential properties upon it – was achieved many years ago, the community spirit and care for this beautiful estate is something that continues to be nurtured to this day.

The estate is home to 152 residential properties and also comprises Crutches Woods, Manor Farm Fields, an Orchard, and of course its centrepiece – the Village Green, which is set within a designated Conservation Area. There is also a shop, a Village Hall (with a pop-up pub and cinema), a Nursery and a Primary School. Adjacent to the estate are the Quaker Meeting House and burial ground, Old Jordans, and the Mayflower Barn. There are several other roads elsewhere in Jordans outside the estate.

Friends of Jordans will be welcome to participate in events and volunteering opportunities which help to create such a wonderful co-operative community spirit in the historic Quaker Village of Jordans. They'll also be offered access to information about JVL, such as the Annual Report and Minutes of Management Committee meetings.

Most events and volunteering opportunities can be found in this Newsletter, which is published on the 1st of each month. If you live in Jordans, we can also include you on a local WhatsApp group which informs you of opportunities and provides other local information - please send us your mobile phone number and we will add you to that list too.

Community Fibre Broadband is now live!

Good news - we've received confirmation that the new Ultra-Fast Fibre Broadband network has been installed and is available to residents. Some parts are not quite complete, but should be by January 2022. Contact your Internet Service Provider to check if it is available to your home, and what your options are for upgrading your connection. See below from Openreach:

From: <communityfibrevouchers@openreach.co.uk>

Subject: Chalfont St Giles Ultrafast Community Project - FTTP Available to Order

Good afternoon,

I am pleased to confirm that the wait is now over and your new Ultrafast Full Fibre broadband service is live. This means that the community should now be able to order full fibre broadband from your choice of service provider, assuming they sell in your area. There can sometimes be a short delay from the time that our network is live and service providers being ready to sell their products and services. This should be discussed with your provider of choice. You can also shop around to get the best deals, I've included a website that you may find useful.

Please be aware that if you are part of the community who have agreed to the T&C's of the Gigabit voucher scheme then you should place an order with your chosen ISP as soon as possible. Failure to do so could result in your voucher being withheld or even cancelled. The Government will also contact each applicant to confirm they have been connected to an Ultrafast Full Fibre Broadband service.

Once again, thank you for partnering with us to bring fibre to your community.

Kind regards,

Callum Malloy

Friends' Corner

By Bob Redpath

An alternative word for 'Quaker' is 'Friend'. 'Friends' Corner' lists forthcoming Quaker events at the Jordans Meeting House, to which newcomers are very welcome. The Meeting House is located at the junction of Jordans Lane and Welders Lane. Jordans Quaker Centre is attached to the Meeting House; private meetings can be booked. Nina Liebenberg, JQC manager, can be contacted if there are queries about access to the Meeting House or to book meetings in the Jordans Quaker Centre. Jordans Meetings for Worship

Meetings for Worship at Jordans Meeting House

The Jordans Meeting House is open for in-person meetings during October. The meeting starts at 10:30am, lasts one hour and is followed by a 'bridge' of about ten minutes when people who wish to do so can comment on the issues raised during the meeting. If you are planning to attend in person for the first time, please contact Adrienne Midgley as there is limited space due to social distancing. Please bring your mask. Adrienne's contact details are: tel.no.01753 889581 or adriennemidgley@hotmail.com.

Zoom Meetings for Worship

During October there will be Zoom Meetings for Worship concurrent with the in-person meetings in the Meeting House. Invitations to attend will have been sent to everyone on the Jordans Meeting email list. If you are a newcomer and wish to attend the Zoom meeting for the first time, please contact Ann Floyd (ann@quakersintheworld.org) or telephone 01494 874273.

Junior Jordans (Quaker Sunday School)

David Matthews writes: Junior Jordans, the children's meeting, is now meeting every Sunday at 10:30am in the Penn Room of the Jordans Quaker Centre. We enjoy some times of quiet and reflection during the Junior Jordans meeting and also cover some fun activities, including art

and music. We join the main meeting in the Meeting House towards the end of that meeting. We are ready to welcome new visitors, especially from Jordans. Please call me (outside of work hours) for further details (07779 251 107)

Douglas and Jenny Butterfield: Zoom Meeting for Worship

Douglas and Jenny Butterfield would like to invite you to a virtual Meeting for Worship at their house, which is on Zoom during lockdown. The meeting will be held on Friday 1st October at 10:30am for about 40 minutes with fellowship afterwards. (Meetings are usually held on the first Friday of a month.) If you want to join us you would be most welcome. Please contact Douglas by email douglasbutterfield13@gmail.com in order to be sent the Zoom link for this meeting.

Climate Change Booklet - How to be a hero to our children

Ann Floyd writes:

Jordans Quakers have made enough copies of this booklet for every household in Jordans and I am working my way round the village delivering these. If you haven't seen me yet, I will be coming your way sometime in the next two weekends.

The booklet has been prepared by the Quaker United Nations Office (QUNO) in Geneva. It addresses the concerns many adults have about the climate that the children of today will inherit from us. It outlines the evidence and suggests actions for us to consider. Many of us are grappling with these issues in our own lives already, but readers might find some further ideas in the booklet, so do have a look.

Quakers are very active at the UN behind the scenes, mainly by bringing together diplomats/delegates in safe private spaces where they can be open with each other and find ways forward. This is year-round work, not just for COP meetings; a great deal of effort went on at COP21 in Paris, and is happening now in the run-up to COP26 in Glasgow in November. But even if delegates sign accords in big UN events such as COP26, implementation won't happen if their own citizens don't see the need. This booklet is for citizens such as ourselves, to help us understand and act so that positive outcomes for all our children are more likely. You can find out more about QUNO work at <http://www.quakersintheworld.org/quakers-in-action/394/Climate-Change>.
